Freedom 30 retrofitted with a factory-built sugar-scoop stern for easy boarding. Well equipped with a solar panel and refrigeration. **Comes with an Achilles inflatable dinghy and Nissan 3.5 hp outboard. Brand new Victron AGM Supercycle batteries!** Freedom Yachts are easy to sail, with their unstayed carbon mast and self-tacking jib. See [Freedom 30 - Practical Sailor](#) for a review. New Mack Sails mainsail and Tides Marine sail track make for easy raising and lowering of the mainsail. Mack Sails jib plus a cruising spinnaker. Single-handing

is a breeze! Bagatelle has been imported into the Bahamas (duty paid) and doesn't require semi-annual cruising permits. Ready to cruise the marvelous Sea of Abaco and beyond!
